RE: Public Notice-Public Service Commission of Kentucky (Case No. 2004-00249)

Our comments are:

This tower is greatly needed and welcomed in Elliott County. We have numerous places in Elliott County where cell phones have no signals. This may not completely end all our problems, but it is definitely a step forward for communications. Cell phones are used frequently by our Ambulance Service, Fire Departments, Law Enforcement, and County Road Workers along with the general public. Any time service can be upgraded it makes a much better place for the citizens of Elliott County to live and work.

Sincerely,

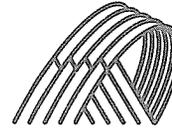

Charles R. Pennington,
Elliott County Judge/Executive
